

STEWART RHODES: ...And let them know, that these—when they come into power, they will disarm all of us. That's first thing. They've already got a bill on the table ready to go. They are going to try to disarm all of us. They are going to come after everyone that was at the Capitol. They are going to come after every patriot. They are going to come after all of us. It's going to turn us

WITNESS: ...at the Capitol?

KELLYE SORELLE: I know it's
gonna' happen.

STEWART RHODES: Yeah, it's
comin'.

WITNESS: They're pushing for it. They won't get it with everybody, but they'll...

STEWART RHODES: So Trump—and here is the thing, we're gonna' fight. We're not gonna' let them come get our brothers. We're going to fight, the fight's going to be ours. So it's not a question of do we do this and have a fight, and, or do we not do this and avoid a fight—fight's coming. I'm not

STEWART RHODES: And neither are the 40,000 other Oath Keepers. And we're just the tip of the fucking iceberg. There's millions of others that feel the same way about this shit that we do. They're all over the fucking place.
